TIBETAN PARLIAMENT-IN-EXILE

TPLE-26/2017/25615

His Excellence Khaltmaa Battulga,
President-Elect of Mongolia

10.7.17

Excellency,

On behalf of all the Tibetan people, both inside and outside Tibet, kindly accept our heartfelt congratulations on your victory in the presidential election.

Your country and Tibet had always shared a cordial bilateral relationship based on the long established historico-cultural and religious ties.

Mongolia is not only a country that is developing steadily but is also the country that has kept alive the rich Buddhist tradition of Mahayana. It is, especially, a country that has frequently invited His Holiness the 14th Dalai Lama and other Buddhist religious head and has held successful visitations and sermons.

Tibetan Parliament-in-Exile once again, on behalf of every Tibetan, would like to congratulate you and wish you with all the success as you take up the responsibilities and challenges of your high office.

We hope that the centuries-old bond between us translate for the better and the support from both your government and public to our cause continue perennially.

May Mongolia's economy and society continue to develop as intensively as you have envisioned under your leadership.

With my sincerest regard,

Khenpo Sonam Tenphel,
Speaker
Tibetan Parliament-in-Exile
