Mr. Andrius Navickas (MP)
Chair
(Seimas) Provisional Group for Solidarity with Tibetans
Lithuanian Parliament

Dear Mr Andrius Navickas and group,

Greetings from Tibetan Parliament-in-Exile based in Dharamsala, India.

On behalf of Tibetan Parliament-in-Exile, I would like to express my deepest gratitude and heartiest congratulation for the new formation of (Seimas) Provisional Group for Solidarity with Tibetan on 17th November 2017.

2nd World Parliamentarian's Convention on Tibet was held in Vilnius, Lithuania in May 1995 with resolute supports and assistances from Lithuanian Parliamentarian Group for Tibet. We are honoured to have continued participants from Lithuania in all the WPCT till now and we hope to see you all again in upcoming 7th WPCT.

Taking into consideration the gravity of the situation inside Tibet, we thank you for taking the lead in an untiring efforts to bring the cause of Tibet into a sense of urgency. As you are well aware about the growing restrictions on the human rights of the Tibetan people in Tibet, including the political repression, violation of religious freedom and social discrimination, which ultimately leads to the continued self-immolations inside Tibet.

Therefore, we would request you and your group to encourage Chinese Government to resume the dialogue between the Chinese authorities and the representatives of His Holiness the 14th Dalai Lama so as to resolve the issue of Tibet soon.

We look forward for your continued support and once again, thank you so much for your invaluable support.

With warmest regards,

Acharya Yeshe Phuntsok.
Deputy Speaker
Tibetan Parliament-in-Exile
