TIBETAN PARLIAMENT-IN-EXILE

TPiE-75/2018/26168

16.01.2018

Dear Mrs. Trikha and family,

Words cannot express the sadness we felt when we learnt about the demise of your father, the exemplary Dr. Nand Kishore Trikha. He was not only a model journalist that instilled values in journalism but also a compassionate human being, who worked for and supported truth and justice.

Ever since from the times of being Chief Editor at Navbharat Times, he had kept track of Tibet issues and when he formally became the first National Convener of Core Group for Tibetan Cause at its inception in 2002, his support for Tibet's issues knew no bound, for it flowed perennially. Especially in 2008, when chaos and unprecedented persecution took place in Tibet, he took it upon himself to lead various campaigns in support of Tibet's cause and issues.

In 2006, he visited the Tibetan Parliament in Dharamsala, leading the members of Core Group for Tibetan Cause. And despite his busy schedule, he always made time for the Tibetan Parliamentary delegation whenever we approached him with his insights and guidance generously offered. He not only supported the Tibet's cause with all his integrity but also followed His Holiness the Dalai Lama with all his sincerity.

We will forever be indebted to his untainted support for Tibet and the reassuring words he said to the Deputy Speaker of Tibetan Parliament-in-Exile when he met him on 11th Sept 2017, *'I will support Tibet's issues and cause till the last of my breath.'*

May you and your family draw some measure of comfort knowing that the Tibetans all over the world and Tibetan Parliament-in Exile care and share in your loss. Your husband, the Grateful Dr. Nand Kishore Trikha, was a constant source of encouragement and inspiration for all of us.

May time and memories heal the burden of your sorrow.

Yours sincerely,

Ven.Khenpo Sonam Tenphel,
Speaker
Tibetan Parliament-in-Exile.
