Hon. Madam,

It was indeed a pleasure to know that you have been elected as the member of Rajya Sabha. I on behalf of 16th Tibetan Parliament-in Exile would like to congratulate you on this deserving victory.

I wish you all the very best and I am confident that you will continue to serve your nation in your best way. India, is and will always be close to our heart. Tibetans are eternally grateful to India being generous host since we lost our country.

It is an encouraging to receive immense supports and attentions to the cause of Tibet from valuable Indian dignitaries like you. Members of Tibetan Parliament's meetings with you in past years were informative and insightful.

I take this opportunity to thank you for your kind concern and support for the Tibetan cause, and look forward to your kind support in days to come.

Warmest regards,

Yours Sincerely,

Khenpo Sonam Tenphel
