Hon. Shri. H. D Kumaraswamy,
Chief Minister of Karnataka
204, 2nd floor,
Vidhana Soudha,
Ambedkar Vidi, Bangalore

Shri. Haradanahalli Devegowda Kumaraswamy ji,

On behalf of Tibetan Parliament-in-Exile, I convey my heartiest congratulations to you for being designated second time as the Chief Minister of Karnataka.

I extend my profound greetings and best wishes to you in continuing to fulfill the expectations and aspirations of your people as you are readying to assume the responsibility of the State leadership again.

Tibetans are eternally grateful to the government of India and its people for being gracious host ever since we lost our country, particularly to those Indian states where Tibetan settlements are located.

Taking this opportunity, I would like to express my sincere gratitude to the government of Karnataka for kind supports and assistances rendered to the Tibetan refugees in five major Tibetan Settlements till date. Karnataka state has largest Tibetan Communities all over the India. Therefore, I positively look forward for the same support to the cause of Tibet and assistances to Tibetans residing in the south during your this tenure.

I hope that your determination, sincerity and hard work bring you higher responsibilities and position in your political career and I wish you all the best for your noble future endeavors.

Yours Sincerely,

Acharya Yeshe Phuntsok
Deputy Speaker
Tibetan Parliament-in-Exile
