Respected Smt. Kanimozhi and family,

There's no word that can express how distress your family and DMK party members are in at this moment. Tibetan Parliament-in Exile on behalf of Tibetan in and outside Tibet, we offer our deepest condolence at the sad demise of your beloved father; a stalwart political leader.

Members from Tibetan Parliament in Exile have had opportunity to meet with Late Dr. Muthuvel Karunanidhi in 2004 and your kind self in 2016. We were gratified by your guidance and supports to the cause of Tibet at our meeting.

Likewise, we've just met Members of Parliament from DMK party at ongoing monsoon session in New Delhi. Therefore, with this opportunity, I would like to express our sincere gratitude to your late father and DMK party for your continued support for the Tibetan cause.

Dr. Karunanidhi has greatly contributed in the Indian politics and especially to the unique Language and Culture of the Tamil Nadu state. I hope you and your party will continue to serve and follow his vision in coming future.

Hopefully this message will provide your family and supporters with some comfort through this difficult moment.

With Prayers and Sympathy,

Acharya Yeshe Phuntsok
Deputy Speaker
