TIBETAN PARLIAMENT-IN-EXILE

TPiE/21/2018/26507

Dec 1st, 2018

Hon. George W. Bush and family,

On behalf of Tibetan Parliament-in-Exile and Tibetans both in and outside Tibet, I offer my deepest condolences at the sad demise of Hon. Late George Herbert Walker Bush, 41st President of the United States, and the longest friend of Tibet. We are deeply saddened by the news of your loss.

Late George H. W. Bush has made honorable services and considerable contributions to the growth of the United State and also to the international development. He was influential in regularly convening humanitarian activities even after his retirement.

He was the first President of the United State met with His Holiness the 14th Dalai Lama and has continuously raised voice against the human right violation inside Tibet. Furthermore, he persistently urged Chinese Authorities to resume the dialogue between the Chinese Government and the representatives of H.H the 14th Dalai Lama, for which we are eternally grateful and remain indebted.

The Tibetan people stands in solidarity with you and your family at this sorrowful time. We hope that you all find courage and strength to bear this irreparable loss.

We will always remember the resolute support extended by him and your entire family in the history of Tibetan struggle.

With Prayers and sympathy,

Pema Jungney
Speaker
