Respected Ms.Sunaina Kumari ji,

The Tibetan Parliament-in-Exile is deeply saddened by the sudden demise of your beloved husband Shri Ramchandra Paswan ji at a very young age. It is an irreparable loss for the people of India and Tibetans.

Due to his charismatic leadership and hard work, he was elected four times in the Member of Parliament and specially re-elected in the 17th Lok Sabha.

He was very simple and down to earth leader, as a follower of the farsighted vision of Dr. Ram Manohar Lohia and Shri Jayaprakash Narayan and brought immense result oriented contribution through the Social Democratic Ideology.

From 2004, The Tibetan Parliamentary Delegation got an opportunity to meet Shri Late Ramachandra Paswan time and again in Delhi .We are extremely grateful for his sincere support for the cause of Tibet.

On behalf of Tibetans in and outside Tibet, I extend my heartfelt condolence to you, your family and the followers. May the departed soul rest in peace.

With prayers and sympathy,

Pema Jungney (Mr.)
Speaker
Tibetan Parliament-in-Exile
