TIBETAN PARLIAMENT-IN-EXILE

TPiE-23/2019/27627

His Excellency Boris Johnson  
Prime Minister  
London, U.K.

Dated: 16th December, 2019

Your Excellency,

The 16th Tibetan Parliament-in-Exile on behalf of Tibetans in and outside Tibet would like to extend our earnest congratulations to your party for the historic victory in the recent election and to your Excellency on being re-elected as the Prime Minister of the United Kingdom.

We are here to yet again apprise you about the ongoing critical situation inside Tibet where Tibetans inside Tibet are deprived of basic human rights, freedom to practice Tibetan religion, culture and language, destruction of major historical monastic institutions, degradation of environment and natural resources and many more repressive policies by Chinese government on Tibetans. We urge you to kindly call upon Chinese government to stop such repressive policies on Tibetans and come to terms with the most sensible solution of Middle Way Approach in resolving Sino-Tibet issue.

The United Kingdom and Tibet have a close association for a long term and thus with this friendly relation, we had the privilege to get support from the people and the government of the United Kingdom to Tibetan cause. Thus, we hope under your leadership, you and your government will continue supporting for the just cause of Tibet and call upon Chinese counterpart to resume the peaceful negotiation with the envoys of His Holiness the Dalai Lama or Central Tibet Administration.

Wishing you success in your future endeavours.

Yours sincerely,

  
Acharya Yeshe Phuntsok  
Deputy Speaker  
Tibetan Parliament-in-Exile
