TIBETAN PARLIAMENT-IN-EXILE

༢༥/༢༠༢༠/༢༧༧༡

Her Excellency Dr Tsai Ing-Wen
The President of Taiwan
Taipei, Taiwan

13 Jan. 2020

Your Excellency,

On behalf of Tibetans in and outside Tibet and the 16th Tibetan Parliament -in-Exile, I offer my heartfelt congratulations to you for being elected as the President of Taiwan for the second time with a landslide victory.

Despite Chinese government's repetitive forces against the people of Taiwan to deter from choosing a free democratic way of life. The victory of President Tsai Ing-Wen with the highest votes in the history of Taiwan is a backlash against the China's policies.

This victory testifies your outstanding leadership and your commitment towards leading a democratic governance in Taiwan. My felicitation and appreciation also goes to the people of Taiwan for their utmost strength in fighting against all odds and opting for a secured free administration for the betterment of their future.

The people of Taiwan holds a high esteem for His Holiness the 14th Dalai Lama as their patron and had invited His Holiness several times in Taiwan. But after 2016, His Holiness' visit to Taiwan was blocked by Chinese government and thus I hope this closed tie will re-open to benefit the people of Taiwan who have deep faith in His Holiness.

Besides, the people and the government of Taiwan has been a great supporter of Tibetans and the just cause of Tibet for a long time. I hope it will be continued under your leadership as well. We are sincerely seeking for genuine autonomy within the framework of the Chinese constitution.

Tibetan parliamentary delegation comprising of four members are presently in Taiwan to extend warm greetings to you and your government and to update the critical situation going on inside Tibet under the repressive rule of the Chinese authorities.

Once again congratulations to you and your party for this historic and resounding triumph towards a better Taiwan.

With best regards,

Yours sincerely,

Pema Jungney
Speaker
