Jagat Prakash Nadda Ji

President

Bharatiya Janata Party

Honorable Prakash Nadda Ji,

On behalf of Tibetan Parliament-in-Exile, I would like to congratulate you on being elected as the 14th President of India's largest political party the Bharatiya Janata Party (BJP).

You have devoted and served in Indian Politics for a long period of time and Particularly in BJP. You have also been an exemplary working President of BJP and therefore this election clearly reflects your charismatic leadership quality as well as the huge degree of trust and confidence that the party has in you.

You are also a follower and believer of His Holiness the Dalai Lama and a long-time supporter of Tibet. Tibetan Parliamentarian delegation also had the privilege to meet you several times in Delhi and Dharamshala, H.P.

Honorable sir, you are aware and well-known about the cause of Tibet, So we hope and believe that you and your party will render firm support under your leadership. Through Middle Way Approach we seek genuine autonomy within the framework of the People's Republic of China serving the interest of both China and Tibet. We also look forward to have a peaceful dialogue between Chinese authorities and envoys of His Holiness the Dalai Lama which has come to a standstill after the 9th round of Negotiation in January 2010. We hope you will support and help to resume the peaceful dialogue.

On behalf of Tibetans inside and outside Tibet, we express our profound gratitude to the People and Government of India for the support and assistance given to the cause of Tibet and the Tibetans for the last 60 years in exile. We are indebted to you.

Once again, congratulations and I wish you and your party under your president-ship a great success and best wishes for the endeavours ahead.

With best regards,

Yours Sincerely,

Pema Jungney (Mr.)
Speaker
