TIBETAN PARLIAMENT-IN-EXILE

78/2020/TP/E/2722

Shri K.T.S. Tulsi,
Member of Rajya Sabha
3, Motilal Nehru Marg, New Delhi

Date: 6th August, 2020

Hon'ble Sir,

On behalf of all the Tibetans and 16th Tibetan Parliament-in-Exile, I would like to extend my hearty congratulations to you on being re-elected as a member of the Rajya Sabha.

We are genuinely grateful and indebted to the people and the government of India for providing staunch support towards the struggle and the cause of Tibet for more than 6 decades. I believe that the people and the government will continue do so in the future as well.

As for the ongoing border and territorial dispute between India and china, the Tibet issue becomes the key factor because Tibet always acted as the buffer zone between two of the most powerful country before the illegal occupation of Tibet by china in the 1950s but it all ended after the destruction of Tibet's Independence therefore, we would like to urge you to render assistance in raising and solving the issue of Tibet in order to de-escalate the border dispute between India and china. Also, it is not just one or two countries but China has a list of territorial disputes with many Nations which proves that it is a long thought through and very well plotted expansionist approach to take control over everything globally.

As a vision of His Holiness the 14th Dalai Lama, Through Middle Way Approach we seek genuine autonomy within the framework of the People's Republic of China serving the interest of both China and Tibet. We also look forward to have a peaceful dialogue between Chinese authorities and envoys of His Holiness the Dalai Lama which has come to a standstill after the 9th round of Negotiation in January 2010. We hope that you and your government will support us in resuming the peaceful dialogue between the envoys of His Holiness the 14th Dalai Lama and the representatives of Chinese government.

Hon'ble Sir, we are also grateful to you for your precious time in the past years and giving our Parliamentary Delegation an opportunity to meet and interact with you regarding the Tibet issue. We would be obliged to receive an opportunity to meet and interact with you in the coming years.

I, once again would like to extend my profound greetings to you on being re-elected as the Rajya Sabha member, best wishes for the endeavours ahead and Tashi Delek.

With regards
Sincerely,

Pema Jungey (Mr.)
